

# Pricelist 2016

SimplyDry is a flexible, crystal clear waterproof bag that allows complete use of your Smartphone while keeping it dry and clean.

The tight seal guarantees that the Smartphone will stay dry even when submerged underwater.

No need to slip the device in and out the bag to use it, the device works even inside the bag!

SimplyDry comes with an activity strap for water sports. It is crystal clear so pictures and video's can be taken through it, watch a movie, surf the net, talk on your phone, and more!

Store your passport, travel tickets & currency.
